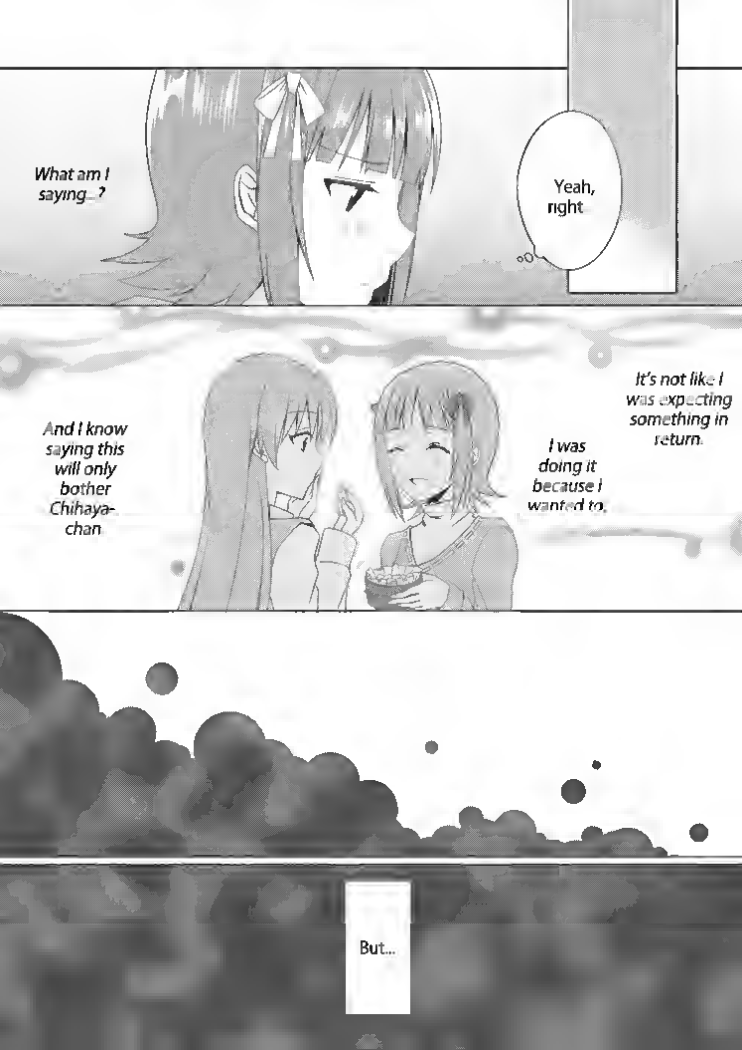
Haruka looks like she's in a bad mood. Did something happen?
Well, that's Chihaya onee-chan's fault, isn't it.
ひょこっ
Wha, mine? Why?
ひょこっ
Of course
Well, last time
Morning. Anybody here, yet?
We are .
Haruruun and the others too

Ther_ sure are a lot.
Whoa, where'd these come from?
どさっ
Well, you can have these if you want.
Ooooh
I'm so tired
Miki– Miki's fast!
It's so tasty
We borrowed Tarukiter's kitchen to make the onigiri.
It's the rice prize from a tournament Makoto and Hibiki participated in.
Resisting taking a bite was enough hard labor for Miki!
You only helped with the non–
Miki helped make some, too.
Isn't she great?
Miki Miki, really!

Oooh, Chihaya
Don't spoil her
Yaaay, Chihaya-san complemented me
Huh, th-thanks...
I wonder if I can finish this
I'm happy, so Chihaya-san can have more
Well, I guess
You really did your best, Miki.
Yes It is
Well? Is it tasty?
...Haruka?

Um... Are you angry?
Hey, Haruka
Well, I don't think that's it, though...
Haruru's definitely jealous because Chihaya onee-chan got so much onigiri
If you have free time, go do some homework!
Www...
What!? That's not even...
It's just... I just thought that you liked Miki's onigiri more than my cooking
No, I'm not
But
I've been making a lot more for you lately,
You didn't even say "it's great," or "Thank you."
Ah...



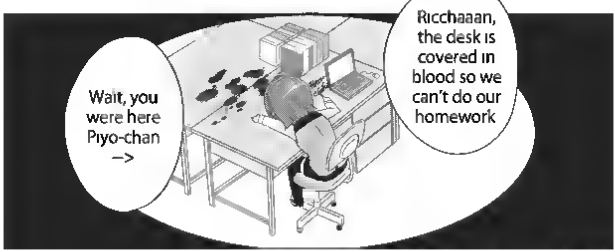
What am I saying...?
Yeah, right.
And I know saying this will only bother Chihaya-chan.
I was doing it because I wanted to.
It's not like I was expecting something in return.
But...

Frustrating
It was just
I realize I'm being a little childish here..
—I
Huh..?
Just thought that it's become something obvious

It just became something that's obvious to me
That's...
During work, days off and when we have free time
Haruka's always beside me
So, the time we spend together
And your cooking
But...
WAWA
You don't have to take it that seriously!
I just sulked on my own anyway
But, forgetting to thank you because of that
That's no excuse
I'm sorry, Haruka

Okay, so
Do you like my cooking?
I see! Then, that's enough for me...
Yes, of course
I'll never get tired of it even if I eat it every day
Uh, that sounded like a proposal, didn't it?
What?

No, that was, it just came out...
Oh, but
Cooking everyday is pretty hard work.
Huh?
So
You have to cook with me from time to time Okay, Chihaya-chan?
Eheheh
Promise



Kotori-san, who's always there even if you abandon the place
